

I want to let you know that my family and I enjoy listening to K-LOVE on our local FM station. We hardly listen to any other station! We would be very upset if K-LOVE were displaced by an LPFM broadcaster with other programming; there is not another contemporary radio station on the FM dial that we can reach at our home. Since there is a shortage of Christian FM stations, losing the one that we have would be keenly felt. K-LOVE provides music with a positive message, uplifting stories and encouraging words. It is in the public interest to keep K-LOVE on the air, especially when so many other radio stations are playing songs with profanity, hate and violence. K-LOVE is a positive influence in the community and I hope that the FCC will not choose to replace it by an LPFM.

Thank you.
